

Dear Parents;

The School is pleased to announce that we are now able to use text messaging to communicate school news, updates, reminders, events and other important information! Text messaging is a discreet, convenient, secure and reliable method of communication, which will save the school time and money by reducing the burden on our busy administration team, allowing us to focus on learning.

We understand the importance of working in partnership with the families of our children to ensure that each child receives the best education that the school can offer. Text messaging will help us to keep you informed at all times so that together we can offer the best support for your child. With this in mind, we are asking all parents to update us with their current mobile telephone numbers to allow us to utilise the system effectively.

From time to time you will receive a text message from the school. Please be assured that this service is FREE to you as the recipient of the text message.

We appreciate your support of this initiative as we trial this system.

Kind regards
